In consideration of the purchase and acceptance of the Bonds by those who shall purchase and hold the same from time to time, the provisions of the General Bond Ordinance shall be a part of the contract of the City with the Holders of the Bonds and shall be deemed to be and constitute a contract between the City and the Holders from time to time of the Bonds and such provisions are covenants and agreements with such Holders which the City hereby determines to be necessary and desirable for the security and payment thereof. The provisions, covenants and agreements herein set forth to be performed on behalf of the City shall be for the equal and ratable benefit, protection and security of the Holders of any and all of the Bonds, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof except as expressly provided in the General Bond Ordinance.

Bonds of any Series may be authorized to be issued in the form of Serial Bonds or Term Bonds, or both.

(9) the manner in which Bonds of such Series are to be sold and provisions for the sale thereof; and

(10) any other provisions deemed advisable by the City, not in conflict with or in substitution for the provisions of the General Bond Ordinance;

provided that, any of the provisions set forth above for inclusion in a Series Ordinance may, alternatively, be included in a resolution of the City adopted to accept a bid for Bonds if adoption by resolution is determined by the City to be necessary in order to permit the sale of such bonds in a timely or convenient manner.

205. Issuance and Delivery of Bonds. After their authorization by a Series Ordinance, Bonds of a Series may be executed by or on behalf of the City, and upon compliance by the City with the special requirements, if any, set forth in such Series Ordinance and with the requirements of Section 206, such Bonds shall thereupon be issued to or upon the order of the City.

206. Conditions Precedent to Authentication and Delivery of Bonds. Except as permitted by Sections 311 and 312, the Bonds authorized to be issued pursuant to this General Bond Ordinance and a Series Ordinance shall be issued only upon condition that the following have been executed:

(i) moneys in an amount sufficient to effect payment at the applicable Redemption Price or other applicable amount of the Bonds to be Refunded, together with

accrued interest on such Bonds to the Redemption Date, which moneys shall be held in a separate account irrevocably in trust for and assigned to the respective Holders of the Bonds to be Refunded, or

(ii) Defeasance Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of subsection (2) of Section 1201 and any moneys required pursuant to said subsection (with respect to the Bonds to be Refunded) which Defeasance Obligations and moneys shall be held in trust and used only as provided in said subsection; and

(d) A Certificate of an Authorized Officer containing such additional statements as may be reasonably necessary to show compliance with the requirements of this subsection, and the Paying Agent shall be entitled to rely on such Certificate.

(4) Any balance of the proceeds of the Bonds of each such Series shall be deposited in such Funds or Accounts as shall be specified in the Series Ordinance authorizing such Series of Refunding Bonds.

(5) Any moneys received by the City from any source, which receipt is conditioned upon the City using such moneys for the redemption of any Bonds to be Refunded shall be deemed to be and treated as the proceeds of a Series of Refunding Bonds and the City shall deliver to the Paying Agent and Registrar or other applicable party the documents and moneys or obligations required by the provisions of clauses (a), (b) and (c) of subsection (2) hereof and shall do all other acts and things necessary to accomplish the redemption of such Bonds to be Refunded, in accordance with applicable provisions of this Section.

**ARTICLE III
GENERAL TERMS AND PROVISIONS OF BONDS**

301. Date of Bonds. Each Bond shall be dated as of, and bear interest from, its Issue Date except as otherwise provided in Section 304.

302. Interest Payment Dates. Interest on each Bond shall be payable as provided in the Series Ordinance authorizing such Bonds.

303. Principal Installment Dates. The date when each Principal Installment with respect to a Series of Bonds is payable shall be as provided in the Series Ordinance authorizing such Bonds.

304. Medium of Payment; Form and Date. The Bonds shall be payable, with respect to principal or Redemption Price, if any, and interest, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Interest on the Bonds shall be payable by check or draft mailed to the Holders by first class mail on the applicable interest payment date. The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons.

Bonds of each Series shall be dated as of the date specified in the Series Ordinance authorizing the issuance thereof. Bonds of such Series issued prior to the first interest payment date thereof shall be dated as of the date specified in the Series Ordinance authorizing the issuance thereof. Bonds issued on or subsequent to the first interest payment date shall be dated as of the date six months preceding the interest payment date next following the date of delivery thereof, unless such date of delivery shall be an interest payment date, in which case they shall be dated as of such date of delivery; provided, however, that if, as shown by the records of the Paying Agent, interest on the Bonds of any Series shall be in default, the Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered. Bonds of each Series shall bear interest from their date.

305. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Ordinance as may be necessary or desirable to comply with custom, or otherwise, as may be determined by the City prior to the delivery thereof.

306. Execution. The Bonds shall be executed in the name and on behalf of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officers before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the City by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in the City, although at the date of the Bonds of such Series such persons may not have been so authorized or have held such office.

307. Negotiability and Registration. All the Bonds issued under this General Bond Ordinance shall be negotiable as provided by the Act, subject to the provisions for registration and transfer contained in this General Bond Ordinance and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Registrar shall maintain and keep books for the registration and transfer of Bonds; and, upon presentation thereof for such purpose to the Registrar, the Registrar shall register or cause to be registered therein, and permit to be transferred thereon any Bond entitled to registration or transfer under such reasonable regulations as it or the City may prescribe.

308. Transfer of Bonds. Each Bond shall be transferable only upon the books of the Registrar, which shall be kept for the purpose at the principal office of the Registrar, at the request of the Holder thereof or by his authorized attorney upon surrender thereof together with an assignment satisfactory to the appropriate Registrar duly executed by the Holder or his duly authorized attorney. Upon the transfer of any such Bond, the City shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond.

The City and any Fiduciary may deem and treat the person in whose name any Outstanding Bond shall be registered upon the books of the City as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if any, of and interest on, such Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor any Fiduciary shall be affected by any notice to the contrary. The City agrees to indemnify and save any Fiduciary harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such Holder.

309. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of transferring Bonds is exercised, the City shall execute and deliver Bonds in accordance with the provisions of the General Bond Ordinance. All Bonds surrendered in any such transfers shall forthwith be cancelled. The Registrar shall not be obligated to make any such transfer of Bonds of any Series during the fifteen days next preceding an Interest Payment Date on the Bonds of such Series or, in the case of any proposed redemption of Bonds of such Series, next preceding the date for providing notice of such redemption.

310. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the City shall execute and deliver a new Bond of like Series, maturity and principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond, or in lieu of and in substitution for the Bond, destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and the City with indemnity satisfactory to each of them and complying with such other reasonable regulations as the Registrar and the City may prescribe and paying such expenses as the Registrar and the City may incur in connection therewith. All Bonds and so surrendered to the Registrar shall be cancelled by it.

311. Preparation of Definitive Bonds; Temporary Bonds. The definitive Bonds of each Series shall be lithographed or printed on steel engraved borders. Until the definitive Bonds of any Series are prepared, the City may execute, in the same manner as is provided in Section 306, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, one or more temporary Bonds (which may be registrable as to principal and interest), substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in denominations of \$5,000 or any multiple thereof authorized by the City, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The City at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and the cancellation, without charge to the Holder thereof, deliver in exchange therefore, at the principal office of the appropriate Registrar, definitive Bonds, of the same aggregate principal amount and series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Ordinance.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith cancelled.

312. Form of Bonds. As may be designated in a Series Ordinance, the Bonds may be registered in the name of the Securities Depository or the Securities Depository Nominee, and ownership thereof may be maintained in Book-Entry Form by the Securities Depository for the account of the Agent Members of the Securities Depository. Initially, the Bonds may be registered in the name of Cede & Co., as the nominee of The Depository Trust Company. Except as provided in paragraph (c) below, the Bonds may be transferred, in whole but not in part, only to the Securities Depository or the Securities Depository Nominee, or to a successor Securities Depository selected or approved by the City or to a nominee of such successor Securities Depository. As to any Bond, the person in whose name such Bond shall be registered shall be the absolute owner thereof for all purposes, and payment of or on account of the principal of and premium, if any, and interest on any such Bond shall be made only to or upon the order of the registered owner thereof or his legal representative.

For any Bonds issued in Book-Entry Form, neither the City, the Registrar or the Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Securities Depository or any Agent Member with respect to any beneficial ownership interest in the Bonds; (ii) the delivery to any Agent Member, any beneficial owner of the Bonds or any other person, other than the Securities Depository, of any notice with respect to the Bonds or the Bond Resolution; or (iii) the payment to any Agent Member, any beneficial owner of the Bonds or any other person, other than the Securities Depository, of any amount with respect to the principal of, premium, if any, or interest on the Bonds.

For any Bonds registered in Book-Entry Form, the City, the Registrar and the Paying Agent may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner of such Bonds for all purposes whatsoever, including without limitation:

- (1) the payment of principal of, premium, if any, and interest on the Bonds;
- (2) giving notices of redemption and other matters with respect to the Bonds;

- (3) registering transfers with respect to the Bonds;
- (4) the selection of Bonds for redemption;
- (5) for purposes of obtaining consents under the Bond Resolution; and
- (6) notwithstanding the definition of the terms “bondholder” or “holder” or “owner” in the Bond Resolution as referencing the registered owners of the Bonds, the Registrar and Paying Agent shall be entitled to rely upon written instructions from a majority of the beneficial owners of the Bonds with reference to consent, if any, required from the owners of the Bonds pursuant to the terms of this Bond Resolution.

If at any time the Securities Depository notifies the City that it is unwilling or unable to continue as Securities Depository with respect to any Bonds, or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Securities Depository is not appointed by the City within 90 days after the City receives notice or becomes aware of such condition, as the case may be, then this Section shall no longer be applicable, and the City shall execute and the Trustee shall authenticate and deliver certificates representing the affected Bonds to the owners of such Bonds as otherwise provided in this Article III.

Payment of the principal of, premium, if any, and interest on any Bonds not registered in Book-Entry Form shall be made as provided in Section 304 hereof.

The principal of, premium, if any, and interest on the Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee shall be payable by wire transfer from the Trustee to the Securities Depository or the Securities Depository Nominee, as the case may be.

313. Securities Depository; Ownership of Bonds. The form of Bonds issued under this General Bond Ordinance shall be such form or forms prescribed by the applicable Series Ordinance.

314. Parity Bond and Parity Obligation Provisions. From and after the issuance and delivery of any of the Bonds authorized or permitted to be issued by this General Bond Ordinance, said General Bond Ordinance shall constitute the sole and exclusive method for the issuance of any Bonds by the City, and any further Series of Bonds of the City payable from the Pledged Receipts shall be authorized and issued solely pursuant to authority of this General Bond Ordinance; provided that Parity Obligations may be issued, as provided herein.

Except as may be provided in a Series Ordinance, the Bonds authorized to be issued by this General Bond Ordinance and from time to time Outstanding, together with any additional Bonds and any Parity Obligations ranking on a parity therewith issued under the conditions and restrictions of this section, shall not be entitled to priority one over the other in the application of the Pledged Receipts or the security for payment thereof, regardless of the time or times of their issuance it being the intention that there shall be no priority among such Bonds or Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

The City hereby reserves the right and privilege of issuing additional Series of Bonds and Parity Obligations from time to time payable from the Pledged Receipts of the System on a basis of parity and equality with all other parity Bonds and Parity Obligations authorized to be issued by this General Bond Ordinance in order to (a) reconstruct, repair and improve the City's System; (b) make, acquire, construct and install additions, extensions, betterments, or improvements thereto; (c) acquire existing water and sewer facilities and systems from any person, if said System facilities and systems are revenue-producing; and (d) refund any Bonds Outstanding or Parity Obligations outstanding, provided in each instance that:

(i) the facility or facilities to be acquired, constructed, reconstructed or improved from the proceeds of the additional parity Bonds and Parity Obligations is or are made an integral part of the City's System and its or their income and revenues are pledged as additional security for the additional parity Bonds, the additional Parity Obligations and the Outstanding Bonds and the outstanding Parity Obligations; and

(ii) the City is in compliance with all covenants and undertakings in connection with all of its Bonds and Parity Obligations payable from the Pledged Receipts;

(iii) the net annual income and revenues of the System for a period of twelve (12) consecutive months of the eighteen (18) months immediately prior to the issuance of said parity Bonds or Parity Obligations, are certified in writing by an independent firm of state-licensed Certified Public Accountants (subject to adjustments as hereinafter provided) to have been equal to at least one and thirty hundredths (1.30) times the maximum Annual Debt Service Requirement coming due in any future Fiscal Year payable from Pledged Receipts, together with the parity Bonds and Parity Obligations then to be issued; and

(iv) the net annual income and revenues of the System for a period of twelve (12) consecutive months of the eighteen (18) months immediately prior to the issuance of said parity Bonds, are certified in writing by an independent firm of state-licensed Certified Public Accountants (subject to adjustments as hereinafter provided) to have been equal to at least one and ten hundredths (1.10) times the maximum Annual Debt Service Requirement coming due in any future Bond Fiscal Year on all Bonds, Parity Obligations and Subordinated Debt outstanding payable from Pledged Receipts, together with the parity Bonds and Parity Obligations then to be issued.

The words "net annual income and revenues," as used in this Section and Section 316 hereof, are defined as Pledged Receipts less Operation and Maintenance Costs for the same period.

With reference to the requirements of subparagraphs (iii) and (iv) of this Section 314, the amount of Pledged Receipts, and the "net annual income and revenues" of the System as that term is herein defined, may be adjusted in writing by a firm of independent state-licensed Certified Public Accountants, which firm shall be the firm performing the certification required by subparagraphs (iii) and (iv) of this Section 314, to reflect and take into account for the historical period being tested, any revision in the schedule of rates, rentals and charges being actually imposed and billed by the City at the time of issuance of such additional parity Bonds or

Parity Obligations and, where Bonds or Parity Obligations are refunded, the additional available “net income and revenues” of the System released as a result thereof.

The amount of Pledged Receipts and the “net annual income and revenues” of the System, as that term is herein defined, may also be adjusted in writing by a Consulting Engineer of National Recognition, to take into account and reflect for the historical period being tested, the amount of additional net income and revenues to be realized by the City by virtue of the acquisition by the City of existing and operating System facilities. A further adjustment may be made by adding thereto an estimate of the said engineer of the increase in operating revenues anticipated to be derived from the additions, extensions, replacements and betterments to be financed by the additional Bonds and Parity Obligations then being authorized, for the first twelve months following the date such additions, extensions, replacements and betterments are placed in service, less said engineer’s estimate of any additional expenses of operation and maintenance during said twelve months. Additionally, an adjustment thereunder may take into consideration revenues to be generated by virtue of contractual relationships between the City and other municipal corporations or other entities, either governmental or private, which contracts must extend for the life of the Bonds and Parity Obligations, where such income and revenues are historically determinable, for the period being tested, namely, 12 consecutive months of the 18 months immediately prior to issuance of parity Bonds and Parity Obligations. Provided, however, that any such adjustment by such Consulting Engineer of National Recognition shall take into account only such income and revenues as would have been derived during the historical period being tested had the valid and lawful schedule of rates, rentals and charges of the City which is in effect at the time of issuance of parity Bonds and Parity Obligations been charged during such historical period being tested, and such adjustments shall also take into account all Operations and Maintenance Costs for such historical period being tested.

The City hereby covenants and agrees that in the event additional Series of parity Bonds or additional Parity Obligations are issued, it shall:

(a) adjust the monthly deposits into the Bond Fund on the basis prescribed in the General Bond Ordinance to reflect the Annual Debt Service on the additional parity Bonds and Parity Obligations; and

(b) adjust the prescribed amount to be accumulated in the Reserve Account in accordance with the provisions of this General Bond Ordinance so that an amount equal to the Aggregate Debt Service Reserve Requirement will be maintained therein.

The additional parity Bonds and additional Parity Obligations (sometimes herein referred to as “permitted” to be issued) the issuance of which is herein conditioned and restricted, shall be understood to mean Bonds and Parity Obligations payable from the Pledged Receipts on a basis of parity and equality with the Bonds initially issued pursuant to, and Parity Obligations permitted by, the General Bond Ordinance, and shall not be construed to include other bonds or obligations, the security and source of payment of which are subordinate and subject to the priority of the Bonds and Parity Obligations herein authorized. The City expressly reserves the right to issue Subordinated Debt pursuant to Section 316 hereof payable from the Revenues herein pledged and not ranking on a basis of equality and parity with the Bonds and Parity

Obligations herein otherwise described, but only if such Subordinated Debt is issued to provide for additions, betterments, extensions or improvements of the System, and only if the same are issued in express recognition of the priorities, liens and rights created and existing for the security and source of payment and protection of the Bonds and Parity Obligations herein authorized and permitted to be issued. In the event any of such subordinate lien securities are issued, the City reserves the right to authorize and issue Subordinated Debt to refund same.

Nothing in this Section is intended or shall be construed as a restriction upon the ordinary refunding of the initially authorized Bonds and Parity Obligations and/or of any Bonds and Parity Obligations which may be issued and are Outstanding under any of the provisions of the General Bond Ordinance if such refunding does not operate to increase amortization requirements in any year to and including the final maturity of Bonds and Parity Obligations outstanding and not to be refunded, if any.

315. Notes. Whenever the City shall have authorized or made provision for the authorization of, the issuance of a Series of Bonds or Parity Obligations, the City may by resolution or ordinance authorize the issuance of Notes in anticipation of the sale of such Bonds or Parity Obligations in a principal amount not exceeding the principal amount of such Bonds or Parity Obligations. The principal or any interest on such Notes and renewals thereof may be payable from and secured by a pledge of Revenues that is (i) subordinate to the pledge of such Revenues as security for Outstanding Bonds and Parity Obligations or (ii) on a parity with the pledge of such Revenues securing Outstanding Bonds and Parity Obligations, but, as to any parity pledge, only if the requirements set forth in Section 314 hereof for the issuance of additional Bonds would be satisfied assuming the principal amount of such Notes would be amortized over twenty (20) years on a level payment basis at prevailing market interest rates existing at the time of the issuance of the Notes. The principal on such Notes shall also be payable from the proceeds of the sale of the Series of Bonds or Parity Obligations in anticipation of which such Notes are issued. Such proceeds may be pledged for the payment of the principal of such Notes and such pledge shall have priority over any other pledge created by this General Bond Ordinance. The proceeds of sale of such Notes shall be applied to the purposes for which such Notes are authorized, and, if the resolution or ordinance or resolutions or ordinances authorizing such Notes so provide, to the payment of interest and other costs in connection with the sale and issuance of such Notes.

Upon issuance of any Notes, there shall be established a separate and distinct "Note Redemption Fund" for the payment of the principal of, interest and any redemption premium on such Notes. There shall be deposited in such Note Redemption Fund (i) any accrued interest received upon the sale of such Notes, (ii) such amounts as may be necessary to pay principal of or interest on such Notes which may become due during the period that the Notes are Outstanding, in the same manner and priority as set forth in Section 504 for transfers to the Bond Fund; and (iii) sufficient proceeds of the Series of Bonds or Parity Obligations authorized to be issued at the time of issuance of such Notes to provide for the payment-in-full of such Notes. Amounts shall be disbursed from a Note Payment Fund to pay the principal of, interest and any redemption premium on the Notes for which such Fund was established, as and when the same shall become due and payable. Amounts on deposit in a Note Payment Fund shall be invested and reinvested in the same manner prescribed under Section 505 for the Bond Fund.

316. Subordinated Debt. The City may issue its Subordinated Debt payable from the revenues herein pledged and not ranking on a basis of equality and parity with the parity Bonds and Parity Obligations authorized to be issued pursuant to Section 314 hereof, but only if such Subordinated Debt is issued to provide for additions, betterments, extensions or improvements of the System, and only if the same is issued in express recognition of the priorities, liens and rights created and existing for the security and source of payment and protection of all Outstanding parity Bonds and Parity Obligations herein authorized and permitted to be issued; and provided further that:

(i) the facility or facilities to be acquired, constructed, reconstructed or improved from the proceeds of the Subordinated Debt is or are made an integral part of the System and its or their income and revenues are pledged as additional security for all Subordinated Debt, Bonds and Parity Obligations then Outstanding;

(ii) the City is in compliance with all covenants and undertakings in connection with this General Bond Ordinance and all of its Bonds and Parity Obligations outstanding and payable from the Pledged Receipts; and

(iii) the net annual income and revenues of the System for a period of twelve (12) consecutive months of the eighteen (18) months immediately prior to the issuance of said Subordinated Debt are certified in writing by an independent firm of certified public accountants (subject to adjustments as hereinafter provided) to have been equal to at least one (1.00) times the maximum annual debt service requirement on all Outstanding Bonds, Parity Obligations and Subordinated Debt payable from the Pledged Receipts, together with the Subordinated Debt then to be issued.

With reference to the requirements of subparagraph (iii) of this Section 316, the amount of Pledged Receipts, and the “net annual income and revenues” of the System, may be adjusted in writing by a firm of independent certified public accountants, which firm shall be the firm performing the certification required by subparagraph (iii) of this paragraph Section 316, to reflect and take into account for the historical period being tested, any revision in the schedule of rates and charges either (i) being actually imposed and billed by the City at the time of issuance of such Subordinated Debt and, (ii) where Outstanding Subordinated Debt is refunded, the additional available “net income and revenues” of the System released as a result thereof.

The amount of Pledged Receipts and the “net income and revenues” of the System may also be adjusted in writing by an engineer with expertise in the field of water and sewer system engineering to take into account and reflect for the historical period being tested, the amount of additional net income and revenues to be realized by the City by virtue of the acquisition by the City of existing and operating System facilities. A further adjustment may be made by adding thereto an estimate of said engineer of the increase in Pledged Receipts anticipated to be derived from the additions, extensions, replacements and betterments to be financed by the Subordinated Debt then being authorized, for the first twelve months following issuance of said Subordinated Debt, less said engineer’s estimate of any additional expenses of operation and maintenance during said twelve months. Additionally, an adjustment thereunder may take into consideration revenues to be generated by virtue of contractual relationships between the City and other municipal corporations or other entities, either governmental or private, where such income and

revenues are historically determinable, for the period being tested, namely, 12 consecutive months of the 18 months immediately prior to issuance of Subordinated Debt. Provided, however, that any such adjustment by such engineer shall take into account only such income and revenues as would have been derived during the historical period being tested had the valid and lawful schedule of rates, rentals and charges of the City which is in effect at the time of issuance of the Subordinated Debt been charged during such historical period being tested, and such adjustments shall also take into account all Operation and Maintenance Costs for such historical period being tested.

The City hereby covenants and agrees that in the event Subordinated Debt is issued, it shall adjust the monthly deposits into the Bond Fund, including the subaccounts therein to be established upon the issuance of Subordinated Debt (the "Subordinated Debt Accounts"), on the basis prescribed herein to reflect the annual debt service on all Subordinated Debt then Outstanding.

In the event any such Subordinated Debt is issued, the City may authorize and issue subordinated debt to refund same, pursuant to the same terms and conditions as set forth in Section 314 hereof for the refunding of parity Bonds and Parity Obligations.

It is hereby acknowledged that the City has entered into an Assistance Agreement with KIA dated as of December 1, 1992 (the "1992 Assistance Agreement") and that the City assumed obligations under a certain Assumption Agreement dated as of March 1, 2007 (the "2007 KIA Assumption Agreement") between KIA and the City, whereby the City formally assumed all of the rights and obligations of the City of Stamping Ground, Kentucky ("Stamping Ground") with respect to the Assistance Agreement dated as of September 1, 1994 by and between Stamping Ground and KIA, with the obligations of the City under the 2007 KIA Assumption Agreement being secured by a pledge of revenues of the portion of the waterworks system of Stamping Ground relating to the System. The obligations of the City under 1992 Assistance Agreement and the 2007 KIA Assumption Agreement are hereby ratified and affirmed and that, in accordance with the consent of KIA, such obligations shall be and will constitute Subordinated Debt.

(2) The proceeds of sale of the Bonds, the Investment Obligations, the Pledged Receipts and all Funds created and established pursuant to the General Bond Ordinance, including Accounts thereof created and established pursuant to the General Bond Ordinance and moneys and securities therein, hereby pledged, shall immediately be subject to the lien of the pledge of Section 501 without any physical delivery thereof or further act, and the lien of said pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the City, irrespective of whether such parties have notice thereof.

502. Funds And Accounts For Bonds Authorized By This General Bond Ordinance.
The City hereby establishes and creates the following special trust funds and accounts:

- (1) Bond Proceeds Fund
- (2) Revenue Fund
- (3) Bond Fund
 Within the Bond Fund
 a Reserve Account
- (4) Operation and Maintenance Fund
- (5) Depreciation Fund.

Such Funds and Accounts shall be maintained by the City and shall apply to any Bonds, Parity Obligations or Notes issued under the terms of this General Bond Ordinance. All limitations and requirements of such Funds and Accounts shall continue to be met for so long as any of the Bonds are Outstanding.

The above identified Funds and Accounts shall be held and maintained by the City in financial institutions (being hereinafter sometimes referred to as “depositories,” and each being a Fiduciary as defined in the General Bond Ordinance) from time to time appointed by the City in a Series Ordinance or by other action of the City.

503. Bond Proceeds Fund.

(1) There is hereby created the Bond Proceeds Fund-General Bond Ordinance (the “Bond Proceeds Fund”). The City shall establish and create within the Bond Proceeds Fund, beginning with the issue of the first Series of Bonds or Notes hereunder, a separate (a) Cost of Issuance Account, and a separate (b) Construction and Acquisition Account, for each Series of Bonds or Notes Outstanding, (provided, that in the event that Bond or Note proceeds are to be used in whole or in part for the payment, or provision therefore, of outstanding debt obligations, a different suitable name and purpose for such separate account may be employed such as “_____ Refunding Account”) and shall identify each separate Account by inserting in the designation therefore the year, letter or other designation of the Bonds of such Series.

(2) There shall be deposited from time to time in the Cost of Issuance Account established for each Series the amount of moneys necessary to pay the costs of issuance of such Series from either:

(a) the proceeds of the Bonds of such Series as specified and determined in the Series Ordinance authorizing the issuance of such Series, or

(b) moneys from time to time received by the City from any other source, and determined by the City to be deposited in such Account, unless required to be otherwise applied as provided by the Ordinance.

To the extent not otherwise provided for, the Cost of Issuance of a Series of Bonds shall be paid only from the moneys credited to the Cost of Issuance Account established for such Series of Bonds.

(3) The depository shall from time to time pay out, or permit the withdrawal, of moneys credited to any Cost of Issuance Account, free and clear of any lien or pledge or assignment in trust created by this Article, for the purpose of paying in the manner herein authorized any Costs of Issuance of the Bonds of the Series for which such Account was established, upon receipt by said depository of a check or other bill of exchange drawn upon such Account, signed by an Authorized Officer stating with respect to each payment to be made:

- (a) the item for which payment is to be made,
- (b) the name of the person or party to whom the payment is to be made, and
- (c) the amount to be paid.

(4) Upon receipt of a Certificate signed by an Authorized Officer to the effect that all Costs of Issuance of the applicable Series of Bonds have been paid, the depository, upon such direction of the City, taken by similar action, shall transfer any moneys remaining

in said Cost of Issuance Account to the Construction and Acquisition Account established for such Series.

(5) Upon the deposit of the proceeds of the Bonds of a Series or other moneys in the manner hereinabove prescribed in any Cost of Issuance Account, the City shall direct the depository to invest and reinvest the moneys in said identified Account in Investment Obligations, so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide as nearly as practicable with the times at which moneys are needed by the City to be expended. The Investment Obligations purchased shall be physically held by the depository and shall be deemed at all times to be part of such Cost of Issuance Account and the depository shall deliver to the City a safekeeping certificate as to the identity and amount of all such investments. The City shall sell at the best price obtainable or present for redemption, any obligations purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment from the Cost of Issuance Account.

(6) There shall be deposited into the applicable Construction and Acquisition Account, such amounts of the proceeds of the Bonds of any Series required to be deposited therein as shall be specified and determined by the Series Ordinance authorizing such Series of Bonds, in accordance with and subject to the provisions of Article IV.

(7) Moneys credited to the Construction and Acquisition Account shall be expended only for the payment of Construction costs of the System subject to the provisions and restrictions of this Section.

(8) Except as may be expressly limited by the purposes for which a Series of Bonds is issued as set forth in the Series Ordinance authorizing such Series, amounts in any Construction and Acquisition Account shall be expended and applied by the depository upon issuance of a check or other bill of exchange drawn upon such Account, signed by an Authorized Officer of the Board. Such checks shall be issued in connection with the System work for which such Series of Bonds is issued, in order to make disbursements required to be made by the City pursuant to the terms and provisions of construction and acquisition contracts to which the City is a party relating to the System. The City shall keep and maintain complete and detailed records with respect to said Construction and Acquisition Account.

(9) Upon the deposit of the proceeds of the Bonds of a Series or other moneys in the manner hereinabove prescribed in the Construction and Acquisition Account, the City shall invest and reinvest the moneys in said Account in Investment Obligations so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide as nearly as practicable with the times at which moneys are required by the City to be expended on account of construction and acquisition contracts in respect of the System. All Investment Obligations purchased shall be physically held in the custody of the depository and shall be deemed at all times to be part of such Construction and Acquisition Account, and the depository shall deliver to the City a safekeeping certificate as to the identity and amount of all such investments. By an order signed by an Authorized Officer of the Board, there shall be sold, at the best price obtainable, or present

for redemption, any Investment Obligations purchased as an investment whenever it shall be necessary in order to provide moneys to meet any authorized payment from such Construction and Acquisition Account.

(10) The Board shall from time to time pay out or permit the withdrawal of moneys from any Construction and Acquisition Account for the purpose of making disbursements and payments to contractors, material suppliers, fabricators and others rendering services pursuant to the System, pursuant to the terms of contracts between the City or the Board and such persons upon issuance of a check or other bill of exchange drawn upon such Account signed by an Authorized Officer of the Board, accompanied by a written voucher executed by the Engineers, if Engineers have been retained, which voucher shall contain the following with respect to each payment or disbursement to be made:

(a) the name of the person or party to whom the payment or disbursement is to be made;

(b) the amount to be paid to such person or party;

(c) the applicable construction, acquisition or service contract in respect of which the payment or disbursement is to be made;

(d) that with respect to such requested payment or disbursement there has not been filed with or served upon the City notice of any lien or attachment upon, or claim affecting the right to receive, payment of any of the amounts requisitioned and payable to any of the persons, firms, or corporations named in such requisition which has not been released or will not be released simultaneously with such payment;

(e) that such requisition for payment contains no item representing payment on account of any retained percentages of Construction cost which the City is at the date of such requisition entitled to retain;

(f) that in connection with such requisition for payment, the City has received such proofs as are properly required by the City to the effect that each obligation set forth in said requisition for payment has been (i) properly incurred, and (ii) is then due and unpaid; and (iii) that insofar as such obligation was incurred for work, services materials, equipment or supplies, such work or services was actually performed, or such materials, equipment or supplies were actually installed in furtherance of the Construction of the System, or were delivered at the site or sites of the System for such purposes.

In the event Engineers have not been retained in connection with the costs to be paid from the Construction and Acquisition Account, then an Authorized Officer of the Board shall execute the voucher containing the information prescribed by (a) through (f) above.

(11) All such written checks or bills of exchange (requisitions) signed by an Authorized Officer of the Board and conforming to subsection (1) above received by the

depository as herein set forth may be relied upon by and shall be retained in the possession of the depository, subject at all times to the inspection of the City and its officials.

(12) At such times as all moneys due to be disbursed from any Construction and Acquisition Account have been so disbursed and paid, and the depository has received (a) a Certificate executed by an Authorized Officer of the Board stating that completion of the designated portion of the System authorized by the specified Series of Bonds has occurred, which Certificate shall be accompanied by (b) an opinion of legal counsel for the City stating that there are no uncalled mechanics', laborers', contractors' or materialmen's liens on file in any public office where the same should be filed in order to be valid liens against any part of any System facilities constructed by the City, and that in the opinion of said legal counsel the time within which such liens can be filed has expired, the balance in such Construction and Acquisition Account shall thereupon be transferred by the depository to the Bond Fund, or upon the filing of a Certificate by such Authorized Officer to the effect that either (a) a further Series of Bonds are due to be issued within a reasonable time or (b) the City anticipates that within six months of such date the City will incur Construction costs for which it would be inefficient or impractical to issue an additional Series of Bonds, then such funds may be held in said Account or the City, by a certificate executed by such Authorized Officer, may direct the depository to pay and transfer such remaining balance to any other Construction and Acquisition Account created in connection with the System.

504. Water and Sewer Revenue Fund. The funds and accounts established by the 1963 Ordinance being continued for the benefit of the Bonds issued under this General Bond Ordinance, as provided in Section 501 hereof. For purposes of clarity, those provisions relating to the Revenue Fund are hereinafter set out in substance, with certain modifications that do not conflict with the requirements of the 1963 Ordinance, it being recognized that once no Prior Bonds remain outstanding, any reference to the 1963 Ordinance shall no longer apply.

(1) The City shall cause all moneys received as Pledged Receipts, together with income from the Reserve Account pursuant to Section 505(7) (d) hereof, to be deposited promptly into the Revenue Fund.

(2) To the extent moneys are received by the City representing any legislative appropriation or grant, federal or state, for purposes of deposit to the Revenue Fund, the Bond Fund or the Reserve Account, or for the defrayal of Operation and Maintenance Costs, such funds shall be promptly transmitted by the City to the appropriate depository for deposit to the Fund or Account so specified.

(3) The City shall cause all moneys received as such income and revenues, and as such Pledged Receipts as set forth in the statement of account, to be transferred from the Revenue Fund and deposited to the following Accounts and Funds on no less than a monthly basis (except for item FIFTH) in the amounts hereinafter stated and in the prescribed sequence:

FIRST: Into the Bond Fund an amount equal to (i) the interest on each Series of Outstanding Bonds and Parity Obligations accrued and unpaid in respect of the next Interest Payment, or to reimburse a credit provider for its direct payment of

such interest under an agreement with such credit provider, (ii) divided by the number of months preceding the next Interest Payment Date for the related Series of Bonds and the interest payment date for the Parity Obligations (or, if payable monthly, the amount due in such month); plus, an amount equal to (i) the Principal Installments accrued and unpaid in respect of the next Principal Installment Date, or to reimburse a credit provider for its direct payment of such principal under an agreement with such credit provider, (ii) divided by the number of months preceding the next Principal Installment Date (or, if payable monthly, the amount due in such month).

SECOND: Into the Reserve Account such amount as may be required to comply with the requirements of Section 505(7) or to pay amounts due under a Debt Service Reserve Guaranty Agreement as a result of payments by the Debt Service Reserve Guarantor under a Debt Service Reserve Guaranty (each of the foregoing capitalized terms being defined in Section 505(7)). Notwithstanding the foregoing, so long as any Prior Bonds remain outstanding, (i) this transfer SECOND shall be made after transfer THIRD below and (ii) whenever the balance in the Reserve Account is less than the Aggregate Debt Service Reserve Requirement, such deficiency shall be replenished to and maintained at the required Reserve Amount from the first available revenues of the System (and in any event at least 20% of the required monthly deposit to the Bond Fund), after providing for operation and maintenance costs.

THIRD: Into the Operation and Maintenance Fund, an amount which, together with any funds already on deposit therein, will be sufficient to pay, as they accrue, the proper and necessary costs of operating, maintaining and insuring the System, and to accumulate and maintain, in the Operation and Maintenance Fund, an amount sufficient to pay all costs of operating, maintaining and insuring the System for three (3) full months.

FOURTH: Into the Depreciation Fund, but only so long as any Prior Bonds are outstanding, 40% of the balance of the income and revenues remaining in the Revenue Fund after payments FIRST, SECOND AND THIRD or the sum of \$5,000, whichever amount is the greater; provided, however, that such monthly deposits into the Depreciation Fund shall be increased on recommendation of the Consulting Engineer of National Recognition, and provided further that the prescribed payments shall continue to be made into the Depreciation Fund so long as any Prior Bonds remain outstanding without regard to any prescribed minimum level for said Fund.

When Prior Bonds are no longer outstanding, the preceding paragraph shall be disregarded and there shall be deposited into the Depreciation Fund an amount equal to 1/36th of the Depreciation Reserve Requirement so that the Depreciation Reserve Requirement will be met within thirty-six months of the date of issuance of a series of Bonds hereunder or Parity Obligations. If at any time the amount in the Depreciation Fund is less than the Depreciation Reserve Requirement, there shall be deposited into the Depreciation Fund, on no less than a monthly basis, an amount

equal to 1/36th of such deficiency so that the balance in the Depreciation Fund will equal the Depreciation Reserve Requirement in the month that is thirty-six months from the month such deficiency first existed. Thereafter such monthly payments may cease for so long as the required balance in the Depreciation Fund is maintained and such monthly payments shall resume again if at any time said balance is less than the Depreciation Reserve Requirement and shall continue until said balance is established.

FIFTH: To the payment of the principal of, interest and any premium on Subordinated Debt.

SIXTH: On a periodic basis, the amounts remaining in the Revenue Fund at the end of the month, or, in the case of annual transfers, the preceding calendar year, after making the payments required by paragraphs FIRST to SIXTH , inclusive, hereof, including any balances to be accrued and maintained, may be transferred to any other Account or Fund.

(4) Moneys in the Revenue Fund shall be invested by the City in Investment Obligations maturing on dates that will permit timely deposits, transfers and payments as provided in this Section, and except for such investments, shall be used only to make such deposits, transfers and payments. All investments made by the City in any Fund or Account created by this General Bond Ordinance shall be made upon written order issued by an Authorized Officer of the Board.

505. Bond Fund. (1) The Bond Fund shall be maintained by the City in the appropriate depository so long as any of the Bonds, Parity Obligations or Subordinated Debt authorized or permitted to be issued by this General Bond Ordinance remain Outstanding; and all moneys deposited in the Bond Fund from time to time shall be used, disbursed and applied, and are irrevocably pledged solely for the purpose of paying the principal of, interest on, and Sinking Fund installments in respect of all Bonds, Parity Obligations and Subordinated Debt as may be issued and Outstanding from time to time pursuant to the provisions of this General Bond Ordinance. Funds in the Bond Fund may, from time to time, at the option of the City, be used and employed to purchase sufficient term Bonds, term Parity Obligations or term Subordinated Debt, if any be Outstanding, to satisfy a Sinking Fund Installment due within the next succeeding twelve (12) months. The City shall direct the depository to, and the depository shall, pay out of the Bond Fund to any Paying Agents for any of the Bonds, Parity Obligations and Subordinated Debt (a) on the day preceding each Interest Payment Date, the amounts required for the payment of interest on the Outstanding Bonds, Parity Obligations and Subordinated Debt due on such date, and (b) on the date preceding the Redemption Date or date of purchase, the amounts required for the payment of accrued interest on Bonds, Parity Obligations or Subordinated Debt redeemed or purchased for retirement unless the payment of such accrued interest shall be otherwise provided for, and in each such case, such amounts shall be applied by such Paying Agents to such payments.

(2) The City may invest the moneys deposited for the payment of interest in Investment Obligations so that the maturity date or date of redemption at the option of the

holder shall be on or before the Interest Payment Date next succeeding the date upon which such investment is made.

(3) The City shall direct the depository to, and the depository shall, pay out of moneys to the respective Paying Agents on the day preceding each Interest Payment Date and each Principal Installment Date for any of the Outstanding Bonds, Parity Obligations or Subordinated Debt, the amounts required for the payment of interest and principal due on such date and such amounts shall be applied by the Paying Agents to such payments.

(4) The amount accumulated for the payment of each Sinking Fund Installment may, at the option of the City, be applied (together with amounts accumulated for the payment of interest on the Bonds, Parity Obligations or Subordinated Debt for which such interest or Sinking Fund Installment was established) by the City prior to the forty-fifth (45th) day preceding the due date of such Sinking Fund Installment, as follows:

(a) to the purchase of Bonds, Parity Obligations or Subordinated Debt of the Series and maturity for which such Sinking Fund Installment was established, at prices (including any brokerage and other charges) not exceeding the Redemption Price payable from Sinking Fund Installments for such Bonds, Parity Obligations or Subordinated Debt when such Bonds, Parity Obligations or Subordinated Debt are redeemable by application of said Sinking Fund Installments, plus unpaid interest accrued to the date of purchase, such purchases to be made in such manner as the City shall determine, or

(b) to the redemption, pursuant to Article VI, of such Bonds, Parity Obligations or Subordinated Debt if then redeemable by their terms at the Redemption Price referred to in Clause (a) above.

As soon as practicable after the forty-fifth (45th) day preceding the due date of any such Sinking Fund Installment, the City shall proceed to call for redemption, pursuant to Section 603, on such due date, Bonds, Parity Obligations or Subordinated Debt of the series and maturity for which such Sinking Fund Installment was established in such amount as shall be necessary to complete the retirement of the principal amount specified for such Sinking Fund Installment of the Bonds, Parity Obligations or Subordinated Debt and maturity. The City shall so call such Bonds, Parity Obligations or Subordinated Debt for redemption whether or not it then has moneys in the Bond Fund sufficient to pay the applicable Redemption Price thereof, to the Redemption Date. The City shall direct the depository to, and the depository shall, pay out of the Bond Fund to the appropriate Paying Agents, on the day preceding each such Redemption Date, the amount required for the redemption of the Bonds, Parity Obligations or Subordinated Debt so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(5) The City may invest the moneys deposited for the payment of Principal in Investment Obligations so that the maturity date or date of redemption at the option of the holder shall be on or before the Principal Installment Date next succeeding the date when such investment is made.

(6) Amounts remaining (other than amounts in the Reserve Account) in the Bond Fund on any Interest Payment Date Principal Installment Date may, to the extent not needed to pay interest and Principal Installments, respectively, be transferred to the Revenue Fund.

(7) There shall be deposited to the credit of the Reserve Account of the Bond Fund (a) amounts from the Revenue Fund required to be deposited therein by this General Bond Ordinance, (b) all moneys received on account of or in connection with Investment Obligations credited to the Reserve Account as in this Section provided, and (c) all proceeds of Bonds and Parity Obligations required to be deposited in said Reserve Account to satisfy the Aggregate Debt Service Reserve Requirement in the amounts set forth in a Series Ordinance. In the event that amounts in the Reserve Account are reduced below the Aggregate Debt Service Reserve Requirement as a result of transfers to the Bond Fund, the deficiency in the Reserve Account shall be cured from the first available revenues by making monthly deposits to the Reserve Account in equal amounts so that such deficiency is eliminated upon making twenty-four (24) such deposits.

(a) The Reserve Account is pledged to and shall be used for the payment of principal of, interest on, and Redemption Price, if any, in respect of any Outstanding Bond as to which there would otherwise be a default in payment, and sums in the Reserve Account shall be transferred to other Funds and Accounts in a timely manner upon due certification as provided in subsection (b) below in order to effectuate the intent of this Section and the purposes of the Reserve Account.

(b) The City shall cause the depository from time to time to transfer or pay out moneys in the Reserve Account for the purpose of making payments and transfers to other Funds and Accounts pursuant to subsection (2) hereof upon receipt by said depository of a check or other bill of exchange executed by an Authorized Officer stating with respect to each payment or transfer to be made:

(ii) the Account or Fund to which the payment or transfer is to be made,

(iii) the purpose of the payment or transfer, and

(iv) the amount to be paid.

(c) Sums from time to time in the Reserve Account shall be continuously invested upon direction of the City, in Investment Obligations. The City shall sell at the best price obtainable, or present for redemption, any Investment Obligations purchased by it as an investment whenever it shall be necessary in order to provide moneys to effectuate the purposes of the Reserve Account.

(d) Any interest earned or sums realized as a result of investment of moneys in the Reserve Account in Investment Obligations shall accrue to, and be a part of, said Reserve Account; provided, however, that so long as the Reserve Account contains the Aggregate Debt Service Reserve Requirement, any such interest earned or sums realized shall be transferred, as received, to the Revenue Fund.

(e) In lieu of the deposit of funds in the Reserve Account, the City may obtain a Debt Service Reserve Guaranty. Any Debt Service Reserve Guaranty shall be considered a deposit of funds in the Reserve Account equal to the Debt Service Reserve Coverage provided by the Debt Service Reserve Guaranty Agreement.

As conditions precedent to delivery of a Debt Service Reserve Guaranty, the City shall obtain (i) a Debt Service Reserve Guaranty, (ii) an opinion of counsel addressed to the City stating that the delivery of such Debt Service Reserve Guaranty to the City is authorized under the General Bond Ordinance, and complies with the terms thereof, and (iii) written evidence from a Rating Agency, if the Bonds are rated by such Rating Agency, that the Rating Agency has reviewed the proposed Debt Service Reserve Guaranty and that (x) the issuance of the Debt Service Reserve Guaranty to the City and (y) if a Debt Service Reserve Guaranty is then in effect with respect to the Reserve Account, the substitution of the proposed Debt Service Reserve Guaranty for the Debt Service Reserve Guaranty then in effect, will not, by itself, result in a reduction or withdrawal of its rating on the Bonds. If the Bonds are insured by a bond insurer, the references to Rating Agency in the prior sentence shall be read to mean such bond insurer and the substitution of the proposed Debt Service Reserve Guaranty shall not result in the cancellation of the bond insurance provided by such bond insurer.

“Debt Service Reserve Guarantor” means the issuer of a Debt Service Reserve Guaranty.

“Debt Service Reserve Guaranty” means a letter of credit, surety bond or similar arrangement representing the irrevocable obligation of the Debt Service Reserve Guarantor to pay to the City upon request made by the City up to an amount stated therein for application as provided in this Section 505.

“Debt Service Reserve Guaranty Agreement” means the reimbursement agreement, loan agreement or similar agreement between the City and a Debt Service Reserve Guarantor with respect to repayment of amounts advanced under the Debt Service Reserve Guaranty.

“Debt Service Reserve Guaranty Coverage” means the amount available at any particular time to be paid to the City under the terms of the Debt Service Reserve Guaranty.

“Debt Service Reserve Guaranty Limit” means the maximum aggregate amount available to be paid to the City under the terms of a Debt Service Reserve Guaranty.

“Rating Agency” means either Moody’s Investors Service, Inc. Standard & Poor’s Ratings Services, a division of The McGraw Hill Companies, Inc. or Fitch Ratings, corporations organized under the laws of the States of Delaware, New York and New York, respectively, and their successors and assigns.

(7) Unless the Reserve Account is funded as provided in clause (6) above, the value of Investment Obligations, as determined in accordance with Section 508, shall be calculated at least annually, and any deficiency recognized by such valuation shall be cured from the first available Water Revenues.

506. Operation and Maintenance Fund. (1) The Operation and Maintenance Fund shall be used to pay the reasonable expenses of operating, maintaining and repairing the System and for paying Operation and Maintenance Costs. There shall be paid into the Operation and Maintenance Fund the amounts required to be so paid by the provisions of Section 504, and there may be paid into the Operation and Maintenance Fund any moneys received by the City from any other source, unless required to be otherwise applied as provided by this General Bond Ordinance.

(2) Subject to the provisions and requirements of subsection (3) of Section 504, moneys in the Operation and Maintenance Fund shall be withdrawn and paid out from time to time by the City for the purpose of paying reasonable or necessary Operation and Maintenance Costs and when so withdrawn and paid out shall be free and clear of any lien, pledge or assignment in trust created by this General Bond Ordinance, provided, however, the City may at any time withdraw moneys from the Operation and Maintenance Fund and deposit such moneys into any other Funds or Accounts created by this General Bond Ordinance, other than the Depreciation Fund.

(3) Amounts in the Operation and Maintenance Fund may, in the discretion of the City, be invested in Investment Obligations maturing in such amounts and at such times as may be necessary to provide funds when needed to pay Operation and Maintenance Costs. The City may, and to the extent required for payments from the Operation and Maintenance Fund shall, sell at the best price obtainable, or duly present for redemption, any such Investment Obligations at any time, and the proceeds of such sale and of all payments at maturity and upon redemption of such Investment Obligations shall be held in the Operation and Maintenance Fund and unless otherwise transferred or expended pursuant to the provisions of this Section shall be applied to reduce the next succeeding Monthly Requirement.

507. Depreciation Fund. (1) The Depreciation Fund shall be available and shall be utilized to make repairs and replacements to the System and to pay the costs of constructing additions, extensions, betterments and improvements to the System which will either increase income and revenues or provide a higher degree of service. There shall be deposited or transferred to the Depreciation Fund any moneys required to be deposited or transferred thereto by the provisions of Section 504 hereof.

(2) In addition, there shall be transferred to and deposited in the Depreciation Fund any other moneys:

(a) received by the City from any other source and duly determined and ordered by the City to be deposited therein, unless required to be otherwise applied as provided by this General Bond Ordinance,

(b) for which the City has exercised a discretion to so deposit or transfer as permitted by this General Bond Ordinance, and

(c) ordered to be so deposited from the proceeds of any Series of Bonds, pursuant to a duly adopted Series Ordinance or of any Parity Obligations in accordance with the terms thereof.

(3) In addition, amounts in the Depreciation Fund may be expended and applied upon written direction of an Authorized Officer of the Board from time to time only:

(a) for making up any deficiency existing at any time in the minimum amounts required to be on hand in the Bond Fund and the Reserve Account as provided by this General Bond Ordinance,

(b) for the redemption of Bonds, in whole or in part, as provided in Article VI of this Ordinance, or for the redemption of Parity Obligations, as provided by the terms of such Parity Obligations,

(c) for the payment of Principal Installments of and interest on Bonds and Parity Obligations when due, without limitation,

(d) for transfer and deposit to the Revenue Fund, or

(e) for investment in Investment Obligations which shall be a part of the Depreciation Fund.

(4) Any Investment Obligation credited to the Depreciation Fund may be sold at any time, upon written direction by an Authorized Officer of the Board in order to provide moneys for any of the purposes described in subsection (3) hereof.

(5) To the extent that other moneys will not be available for the payment of Principal Installments of and interest on Bonds, Parity Obligations or Subordinated Debt when due, any Investment Obligation credited to the Depreciation Fund shall be sold upon written direction by an Authorized Officer of the Board and the proceeds of such sales shall be deposited in the Bond Fund.

(6) The depository shall from time to time pay out or permit the withdrawal of moneys from the Depreciation Fund for the purpose of making payments pursuant to subsection (3) hereof upon receipt by said depository of a check or bill of exchange executed by an Authorized Officer of the Board stating the following with respect to each payment to be made:

(a) the Fund from which the payment is to be made,

(b) the name of the person or party to whom the payment is to be made,

and

(c) the amount to be paid.

(7) Notwithstanding the forgoing, so long as any Prior Bonds remain outstanding, the forgoing provisions of this Section may be disregarded to the extent inconsistent with the following:

The Depreciation Fund shall be used to set up reasonable reserves for renewals, replacements, new construction and contingencies in the operation of the System, and provided also that withdrawals and disbursements shall be made from the Depreciation Fund to meet the payment of interest on or principal of any Bonds or Parity Obligations to whatever extent and if for any reason funds in the Bond Fund should be insufficient for that purpose. Such part of the Depreciation Fund as may be in excess of \$300,000 may (on written recommendation of a Consulting Engineer of National Recognition) be used to purchase or redeem Bonds or Parity Obligations in advance of maturity. All funds in the Depreciation Fund shall be kept apart from all other municipal funds and shall be deposited and secured in the manner as herein provided for the deposit and security of the Bond Fund, or all or any part of the Depreciation Fund may be invested in Investment Obligations having a maturity date or being subject to redemption at the option of the holder within not more than five (5) years after the date of investment therein, and all such investments as well as all income therefrom shall be carried to the credit of the Depreciation Fund.

508. Investment of Funds; Valuation. Except as otherwise provided for in this General Bond Ordinance:

(a) Investment Obligations purchased as an investment of moneys in any Fund or Account held by the City or the depository under the provisions of this General Bond Ordinance shall be deemed at all times to be a part of such Fund or Account and the income or interest earned, gains realized or losses suffered by a Fund or Account due to the investment thereof shall be retained in, credited or charged thereto as the case may be, subject, in the case of the Reserve Account, to the provisions of Section 505(7) hereof; provided that escrow agreements may provide otherwise.

(b) In computing the amount in all Funds, including the Accounts thereof, Investment Obligations purchased as an investment of moneys therein, shall be valued at cost. Valuation as of any date of computation shall also include the amount of interest or gain realized to such date.

(c) The City shall sell at the best price obtainable, or present for redemption or exchange, any Investment Obligation purchased by it as an investment pursuant to this General Bond Ordinance whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which such investment was made. The depository shall advise the City in writing, on or before the twentieth day of each calendar month, of the details of all Investment Obligations held for the credit of each Fund or Account in its custody under the provisions of this General Bond Ordinance as of the end of the preceding month. The depository shall review and advise the City annually on the nature and value of investments in each Fund or Account. In the event that Investment Obligations in the Reserve Account fall below the level required by this General Bond Ordinance, the depository shall notify the City and the City shall cure such deficiency as provided in Section 505(7) hereof.

ARTICLE VI REDEMPTION OF BONDS

601. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to a Series Ordinance shall be redeemable, upon notice as provided in this Article, at such times, at such Redemption Prices and upon such terms as may be specified in the Series Ordinance authorizing such Series.

602. Redemption at the Election or Direction of the City. In the case of any redemption of Bonds otherwise than as provided in Section 603, the City shall give written notice to the depository of the Bond Fund and the applicable Paying Agents of its election so to redeem, of the Redemption Date, of the Series, of the principal amounts of the Bonds of each maturity of such Series to be redeemed (which Redemption Date, Series, maturities and principal amounts thereof to be redeemed shall be determined by the City in its sole discretion, subject to any limitations with respect thereto contained in this Ordinance and any Series Ordinance) and of any moneys to be applied to the payment of the Redemption Price. Such notice shall be given at least 45 days prior to the Redemption Date or such shorter period as shall be acceptable to the depository of the Bond Fund and the applicable Paying Agents. In the event notice of redemption shall have been given as in Section 605 provided, the depository of the Bond Fund shall, prior to the Redemption Date, pay to the appropriate Paying Agent or Paying Agents an amount in cash which, in addition to other moneys, if any available therefore held by such Paying Agent or Paying Agents, will be sufficient to redeem on the Redemption Date at the Redemption Price thereof, all of the Bonds to be redeemed.

603. Selection of Bonds to Be Redeemed By Lot. In the event of redemption of less than all the Outstanding Bonds of like Series and maturity, the City, or Registrar as directed by the City, shall assign to each such Outstanding Bond a distinctive number for each \$5,000 of the principal amount of such Bond and shall select by lot, using such method of selection as it shall deem proper in its discretion, as many numbers as, at \$5,000 for each number shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. For the purpose of this Section, Bonds which have theretofore been selected by lot for redemption shall not be deemed Outstanding.

604. Notice of Redemption. The City or Paying Agent as directed by the City, shall give notice in the name of the City of the redemption of Bonds determined to be redeemed, which notice shall specify the Series and maturities of the Bonds to be redeemed, the Redemption Date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such Date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the Redemption Date, and

that from and after such Redemption Date interest thereon shall cease to accrue and be payable. The City shall mail a copy of such notice, postage prepaid, registered mail, not less than thirty (30) days before the Redemption Date to the Holders of any Bonds or portions of Bonds which are to be redeemed, at their addresses appearing upon the registry books.

605. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 604, the Bonds or portions thereof so called for redemption shall become due and payable on the Redemption Date so designated at the Redemption Price, plus interest accrued and unpaid to the Redemption Date, and, upon presentation and surrender thereof at the office specified in such notice, together with an assignment duly executed by the Holder or his duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the Redemption Date. If there shall be drawn for redemption less than all of a Bond, the City shall execute and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, Bonds of like Series and maturity in any of the authorized denominations. If, on the Redemption Date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the Redemption Date, shall be held by the applicable Paying Agent so as to be available therefore on said date and if notice of redemption shall have been given as aforesaid, then, from and after the Redemption Date interest on the Bonds or portions thereof of such Series and maturities so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the Redemption Date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

**ARTICLE VII
PARTICULAR COVENANTS OF THE CITY**

701. Effect of Covenants. The City hereby particularly covenants and agrees with the Holders of the Bonds, Parity Obligations and Notes, and makes provisions which shall be a part of the contract with such Holders, to the effect and with the purposes set forth in the following Sections of this Article.

702. Payment of Bonds, Parity Obligations and Notes. The City shall duly and punctually pay or cause to be paid from the moneys and assets herein pledged, the principal of or Redemption Price, if any, of every Bond, Parity Obligation and Note and the interest thereon, at the date and places and in the manner mentioned in the Bonds, Parity Obligations and Notes, according to the true intent and meaning thereof, and shall duly and punctually pay or cause to be paid all Sinking Fund Installments, if any, becoming payable with respect to any Bonds, Parity Obligations and Notes, but solely from the moneys pledged pursuant to this Ordinance.

703. Offices For Servicing Bonds. The City shall at all times maintain or cause to be maintained an office or agency where notices, presentations and demands upon the City in respect of the Bonds and Notes or of this Ordinance may be served. The City hereby designates the Registrars' principal offices as the offices for the registration, transfer or exchange of Bonds and Notes. The City hereby appoints the Paying Agents and Registrars as its respective agents to maintain such offices or agencies for the payment of Bonds and Notes, as may be stipulated in any Series Ordinance.

704. Further Assurance. At any time and all times the City shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, assets and revenues herein pledged or assigned, or intended so to be, or which the City may hereafter become bound to pledge or assign.

705. Powers as to Bonds and Pledge. The City is duly authorized pursuant to law to authorize and issue the Bonds and Notes and to adopt the Ordinance and to pledge the income, revenues and assets pledged by the Ordinance in the manner and to the extent provided in the Ordinance. The income, revenues and assets so pledged are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Ordinance, and all official action on the part of the City to that end has been duly and validly taken. The Bonds and Notes and the provisions of the Ordinance are and will be the valid and legally enforceable special obligations of the City in accordance with their terms and the terms of the Ordinance. The City shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the income, revenues and assets pledged under the Ordinance and all the rights of the Bondholders under the Ordinance against all claims and demands of all persons whomsoever.

706. Tax Covenant. In the event the City issues Bonds or Notes which are intended to be excludable from gross income for federal income tax purposes, the City shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure

such exclusion. Further covenants of the City regarding federal tax requirements shall, if applicable, be set forth in the applicable Series Ordinance.

707. Accounts and Reports. The City shall at all times keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the System, and all Funds and Accounts established by this Ordinance, which shall at all reasonable times be subject to the inspection of the Holders of an aggregate of not less than five percent (5%) in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

708. General Compliance With All Duties. The City shall faithfully and punctually perform all duties with reference to said System required by the Constitution and laws of the Commonwealth of Kentucky, Chapter 58 of the Kentucky Revised Statutes, Section 96.190 of the Kentucky Revised Statutes and Sections 96.350 to 96.510, inclusive, of the Kentucky Revised Statutes, and by the terms and provisions of the General Bond Ordinance.

709. Operation and Maintenance; No Free Service. The City shall at all times lawfully maintain and operate said System and all extensions thereto on a revenue-producing basis, and will provide no free water services to any person. From and after the issuance of any Bonds, the City will not initiate and commence service to any person without charging in full for services rendered in accordance with its prescribed and current schedule of rates, rentals and charges. The City shall further maintain the said System in good condition through application of Pledged Receipts accumulated and set aside for operation and maintenance, as provided in the Ordinance; and will make unusual or extraordinary repairs, renewals and replacements, as the same may be required, through application of Pledged Receipts accumulated and set aside for such purposes.

710. System Not To Be Disposed of. The City covenants and agrees that, so long as any Bonds are Outstanding, it will not sell, mortgage, or in any manner dispose of, or surrender control or otherwise dispose of any of the facilities of the System or any part thereof that are material to the operation of the System unless an Authorized Officer of the Board files a certificate with the City Clerk that the requirements of Section 711 will be satisfied after such sale, mortgage, or other disposition of, or surrender of control of any such facilities; except that the City may retire obsolete and worn out facilities, and sell same, if appropriate, depositing the sale price to the Depreciation Fund. Furthermore, except as provided for in the Ordinance, it will not create or permit to be created any charge or lien on the Pledged Receipts ranking equal or prior to charge, or lien of the Bonds.

711. Rates and Charges; Coverage; Annual Budget. The City shall at all times establish, enforce and collect rates, rentals, and charges for services rendered and facilities afforded by said City works and facilities constituting the System; and the same shall be reasonable and just, taking into account and consideration the cost and value of the System, the costs of operating the same and maintaining the same in a good state of repair, proper and necessary allowances for depreciation and for additions and extensions, and the amounts necessary for the orderly retirement of all Outstanding Bonds, Parity Obligations and Notes and Subordinated Debt and the accruing interest thereon, and the accumulation and maintenance of reserves as provided in the Ordinance; and such rates and charges shall be adequate to meet all such requirements as provided in the Ordinance, and shall, if necessary, be adjusted from time to

time in order to comply therewith (subject to such regulatory approvals as may be required by law); and annual revenue from such rates, rentals and charges shall be further adequate to provide, after accumulation and maintenance of all reserves required by the Ordinance, and after payment of Operation and Maintenance Costs as provided in the Annual Budget of the System (a) 1.30 times coverage of annual principal, interest, and Sinking Fund requirements on all Bonds and Parity Obligations and (b) 1.00 times coverage of annual principal, interest, and Sinking Fund requirements on all Bonds, Parity Obligations and Subordinated Debt, and shall, if necessary, be adjusted from time to time in order to comply herewith.

On or before the first day of each Fiscal Year, so long as any Bonds and Parity Obligations authorized or permitted to be issued by the General Bond Ordinance are Outstanding, the City will adopt an Annual Budget of Current Expenses and projected Revenues for the ensuing fiscal year, and will promptly file a copy of each such Budget, and of any amendments thereto, in the Office of the City Clerk of the City, and will furnish copies thereof to any holder of any Bond or Parity Obligation upon request. The term "Current Expenses" as herein used, includes all reasonable and necessary costs of operating, repairing, maintaining and insuring the System, allowances for depreciation on all plant facilities, but shall exclude expenditures for extensions, improvements and extraordinary repairs and maintenance, and payments into the Bond Fund, and the Reserve Account. The City covenants that the Current Expenses incurred in any year will not exceed the reasonable and necessary amounts therefore, and that it will not expend any amount or incur any obligations for operation, maintenance and repairs in excess of the total amount provided for Current Expenses in the Annual Budget, except upon resolution duly adopted by the Board determining that such expenses are necessary in order to operate and maintain the System. At the same time, and in like manner, the City agrees that it will prepare an estimate of gross income and revenue to be derived from operation of the System for such fiscal year, and to the extent that said gross income and revenues are insufficient to meet all requirements as provided in this General Bond Ordinance, the City covenants and agrees that it will immediately (subject to regulatory approvals as required by law) revise its rates, rentals and charges for services rendered by the City's works and facilities, so that the same will be adequate to meet all of such requirements.

712. No Decrease in Rates, Rentals and Charges. The City shall not at any time make any reduction in any prevailing schedule of rates, rentals and charges for use of the services and facilities of the City without first obtaining the written determination of a Consulting Engineer of National Recognition in the field of water and sewer system engineering to the effect that the proposed reduction will not adversely affect the ability of the City to meet all the requirements and covenants set forth in this General Bond Ordinance.

713. Segregation of Funds. The City shall at all times account for the income and revenues of the System and distinguish same from all other revenues, moneys and funds of the City, if any, and will promptly and regularly make application and distribution thereof into the special funds identified in and created by the Ordinance, in the manner and with due regard for the priorities herein attributed thereto.

714. Annual Audit Required. The City shall, within one hundred eighty (180) days after the end of each Fiscal Year, cause an audit of the books of record and account pertinent to the System to be commenced, and a report on such audit to be issued by an independent certified

public accountant, reflecting in reasonable detail the financial condition and results of operations of the System, including the status of the required insurance and fidelity bonding, as provided by this General Bond Ordinance, the current rates, rentals and charges of the City and coverage ratios as set forth in Section 711 hereof, with comments of the certified public accountant concerning compliance with all provisions and requirements of this General Bond Ordinance, such audit to be in accordance with generally accepted governmental accounting principles, and will promptly cause a copy of the audit report of said certified public accountant to be submitted to the Board for review, and when received and approved by the Board, to be filed in the Office of the City Clerk of the City, where it will be available for public inspection, and will promptly mail a copy thereof to the original purchaser or purchasers of any Series of Bonds issued pursuant to this General Bond Ordinance and to any rating agency then rating any Bonds. If requested to do so, the City will furnish to any Bondholder a condensed form of the balance sheet, and a condensed form of the operating report, in reasonable detail. All expenses incurred in causing such audits to be made, and copies distributed, shall constitute proper expenses of operating and maintaining the System, and may be paid from Revenues allocated for such purposes, as herein provided.

715. Fidelity Bonding of Personnel. The City shall cause each officer or other person (other than depository banks) having custody of any moneys administered under the provisions of the Ordinance to be bonded at all times in an amount at least equal to \$50,000; each such bond to have surety given by a surety corporation qualified to do business in Kentucky and approved by the Board, and the premiums for such surety shall constitute a proper expense of operating the System.

716. Insurance of Facilities. The City covenants and agrees that so long as any Bonds are Outstanding, it will keep all buildings and all machinery and equipment therein constituting a part of the System and, to the extent possible, all other facilities of the System which are insurable, insured against loss or damage by fire, lightning, windstorm, vandalism and malicious mischief, together with coverage against the perils normally and regularly insured against in standard "extended coverage" protection, under a policy or policies of a responsible insurance company or companies authorized and qualified under the laws of Kentucky to assume such risks. Coverage of such insurance shall be for not less than ninety percent (90%) of the insurable value, or the total principal amount of Bonds Outstanding, whichever sum is the lesser, subject to the deduction from such loss or damage (except in the case of a total loss) of not more than such deductibles which are customarily maintained by utility districts operating water and sewer systems that are similar to the System.

717. Liability Coverage Required. The City shall carry public liability, vehicular insurance, and property damage insurance covering such risks and for such amounts as the Board determines from time to time to be necessary or advisable by reason of the character and extent of operations of the City. However, at a minimum, the City shall carry such insurance insuring the City against losses occasioned by bodily injury and in respect of property damage in amounts which are customarily maintained by water and sewer systems that are similar to the System. If obtainable, the City may (but need not) carry loss of use and occupancy insurance, and war risk insurance. The proceeds of any and all such insurance, other than public liability and property damage, are hereby pledged as security for the Bonds and Parity Obligations issued pursuant to or permitted by the General Bond Ordinance until such proceeds are paid out in making good the

loss or damage in respect of which such proceeds are received, by repairing or replacing the property damaged or destroyed.

718. System Improvements To Be Expeditiously Completed. When any Bonds and Parity Obligations are issued, the City shall cause the work thereby to be acquired to be constructed and installed as rapidly and expeditiously as good business practice dictates, and will use and employ its best efforts to prevent delay in the prompt fulfillment of any such work.

719. Personnel and Servicing of Program.

(1) The City shall at all times appoint, retain and employ personnel for the purposes of administering and managing the System and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges and all persons employed by the City shall be qualified for their respective positions.

(2) The City may pay to any state agency, municipality, political subdivision or governmental instrumentality of the state from the Operation and Maintenance Fund such amounts as are necessary to reimburse such state agency, municipality, political subdivision or governmental instrumentality of the state for the reasonable costs of any services performed for and on behalf of the City, if any.

(3) The City shall in a timely manner file all reports as may, from time to time be required by law, and shall prepare and file such other reports and documents as shall in the future be required by law, including administrative regulations promulgated by any agency of the federal government or the Commonwealth of Kentucky having jurisdiction.

720. Compliance With Conditions Precedent. Upon the date of issuance of any of the Bonds, all conditions, acts and things required by law or by the General Bond Ordinance or a Series Ordinance to exist, to have happened or to have been performed precedent to or in the issuance of such Bonds, shall exist, shall have happened and shall have been performed, or will have happened or been performed, and such Bonds, together with all other indebtedness of the City, shall be within every debt and other limit prescribed by law.

721. General. The City shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the City under the provisions of the Act and the General Bond Ordinance in accordance with the terms of such provisions.

722. Waiver of Laws. The City shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of any stay or extension law now or at any time hereafter in force which may affect the covenants and agreements contained in this Ordinance or in any Series Ordinance or Supplemental Ordinance or in the Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the City.

723. Termination of Services to Delinquent Users. The City covenants and agrees that it shall, pursuant to the provisions of the Act and any other applicable provisions of law, to the maximum extent authorized by law enforce and collect the schedule of rates, rentals and charges imposed upon users of the City's works and facilities constituting the System, and will promptly

cause service to be discontinued to any premises where such City bill for such facilities and services shall not be paid in full.

724. Extension of Payment of Bonds. The City shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any of the claims for interest by the purchase or funding of such Bonds or claims for interest, or by any other arrangement and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled in case of any default under the General Bond Ordinance to the benefit of the General Bond Ordinance or to any payment out of any assets of the City or the funds (except funds held in trust for the payment of particular Bonds or claims for interest pursuant to the General Bond Ordinance) held by any Fiduciary except subject to the prior payment of the principal of all Bonds issued and Outstanding, the maturity of which has occurred and has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest. Nothing herein shall be deemed to limit the right of the City to issue bonds as provided in this General Bond Ordinance, and such issuance shall not be deemed to constitute an extension of the maturity of any Bond or of the time of payment of any claim for interest.

725. Statutory Mortgage Lien. For the further protection of the holders of the Bonds authorized to be issued by this General Bond Ordinance, a statutory mortgage lien upon all properties constituting the System and extensions thereof and belonging thereto is granted and created by Chapter 58 and Section 96.400 of the Kentucky Revised Statutes, which said mortgage lien is hereby recognized and declared to be valid and binding upon the City and all property constituting the System as provided by law, and shall take effect immediately upon the delivery of any Bonds authorized to be issued under the provisions of this General Bond Ordinance.

726. Board of Water and Sanitary Sewer Commissioners. The City established the Commission and it is hereby covenanted and agreed that, until Bonds and Notes are no longer Outstanding under the terms of this General Bond Ordinance, the operation, management and control of the System will continue to be vested in and carried out by the Board, which shall function in accordance with the provisions of the Ordinance establishing the Board.

727. Effect of Defeasance. From and after the defeasance of any Outstanding Bonds, the General Bond Ordinance shall not govern the issuance of Bonds of the City.

GENERAL BOND ORDINANCE - FURTHER PROVISIONS

901. Modification or Amendment. Any modification or amendment of this General Bond Ordinance and of the rights and obligation of the City and of the Holders of the Bonds and the holders of Parity Obligations hereunder, in any particular, may be made by a Supplemental Ordinance, with the written consent given as hereinafter provided in Section 902, (1) of the Holders of at least a majority in principal amount of the Bonds and Parity Obligations outstanding at the time such consent is given (2) in cases where less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least majority in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, or (3) in case the modification or amendment changes the amount or date of any Sinking Fund Installment of the Holders of at least majority in principal amount of the Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Installment Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds or Parity Obligations of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds or Parity Obligations shall not be required and such Bonds and Parity Obligations shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; and provided, further, no such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section, a Series or Parity Obligations shall be deemed to be affected by a modification or amendment of this General Bond Ordinance if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series or such Parity Obligations. The City may in its discretion determine whether or not, in accordance with the foregoing provisions, Bonds of any particular Series or maturity or any Parity Obligations would be adversely affected by any modification or amendment of this General Bond Ordinance and any such determination shall be binding and conclusive on the City and all Holders of Bonds. The City may receive an opinion of Counsel, including Counsel's Opinion, as conclusive evidence as to whether Bonds of any particular Series or maturity or any Parity Obligations would be so affected by any such modification or amendment of this General Bond Ordinance.

902. Consent of Bondholders. The City may at any time adopt a Supplemental Ordinance making a modification or amendment permitted by the provisions of Section 901 to take effect when and as provided in this Section. A copy of such Supplemental Ordinance (or brief summary thereof or reference thereto) together with a request to Bondholders and holders of Parity Obligations for their consent thereto, shall promptly after adoption be mailed by the City to such holders (but failure to mail such copy and request shall not affect the validity of the Supplemental Ordinance when consented to as in this Section provided). Such Supplemental Ordinance shall not be effective unless and until (1) there shall have been filed with the City (a) the written consents of the Holders of the percentages of Outstanding Bonds and Parity Obligations specified in Section 901 and (b) a Counsel's Opinion stating that such Supplemental

Ordinance has been duly and lawfully adopted by the City in accordance with the provisions of this Ordinance, is authorized or permitted by this Ordinance, and is valid and binding upon the City and enforceable in accordance with its terms. Each such consent shall be effective only if accompanied by proof of the holding at the date of such consent, of the Bonds and Parity Obligations with respect to which such consent is given, which proof shall be such as is permitted by Section 1202. Any such consent shall be binding upon the Holder of the Bonds and Parity Obligations giving such consent and, anything in Section 1202 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange thereof (whether or not such subsequent Holder thereof has notice thereof) and Parity Obligations, unless such consent is revoked in writing by the holder of such Bonds and Parity Obligations giving such consent or a subsequent Holder thereof by filing with the City, such revocation and, if such Bonds and Parity Obligations are transferable by delivery, proof that such Bonds and Parity Obligations are held by the signer of such revocation in the manner permitted by Section 1202. The fact that consent has not been revoked may likewise be proved by a certificate of the City to the effect that no revocation thereof is on file with the City. At any time after the Holders of the required percentages of Bonds and Parity Obligations shall have filed their consents to the Supplemental Ordinance, the City shall make and file (a) in the official records of the City, accompanied by a Counsel's Opinion, as to the quality thereof, and (b) with each Fiduciary a written statement that the Holders of such required percentages of Bonds and Parity Obligations have filed such consents. Such written statement shall be conclusive that such consents have been filed. At any time thereafter, notice, stating in substance that the Supplemental Ordinance (which may be referred to as a Supplemental Ordinance adopted by the City on a stated date) has been consented to by the Holders of the required percentages of Bonds and Parity Obligations and will be effective as provided in this Section, shall be given to holders by the City by mailing such notice to holders (but failure to mail such notice shall not prevent such Supplemental Ordinance from becoming effective and binding as in this Section provided) not more than ninety (90) days after the Holders of the required percentages of Bonds and Parity Obligations shall have filed their consents to the Supplemental Ordinance. Such Supplemental Ordinance making such amendment or modification shall be deemed conclusively binding upon the City, each Fiduciary and the Holders of all Bonds and Parity Obligations, at the expiration of thirty (30) days after the filing with each Fiduciary of the proof of the first publication of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Ordinance in a legal action or equitable proceeding for such purpose commenced within such thirty (30) day period; provided, however, that the City during such thirty (30) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its reasonable discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Ordinance as they may deem expedient.

903. Mailing. Any provision in this Article for the mailing of a notice or other document to holders shall be fully complied with if it is mailed postage prepaid to each Holder of Bonds then Outstanding at his address appearing upon the registry books of the Registrar or as may be provided in or with respect to Parity Obligations.

904. Modifications By Unanimous Action. Notwithstanding anything contained in Article VIII or in the foregoing provisions of this Article IX, the rights and obligations of the City and of the Holders of the Bonds and Parity Obligations and the terms and provisions of the

Bonds or of this Ordinance may be modified or amended in any respect upon the adoption of a Supplemental Ordinance by the City and the consent of the Holders of all of the Bonds and Parity Obligations then Outstanding, such consent to be given as provided in Section 902 except that no notice to Bondholders by mailing shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto in addition to the consent of the City and of the Bondholders.

905. Exclusion of Bonds. Bonds and Parity Obligations owned or held by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds and Parity Obligations provided for in this General Bond Ordinance, and the City shall not be entitled with respect to such Bonds and Parity Obligations to give any consent or take any other action provided for in this General Bond Ordinance.

906. Notation On Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article VIII or this Article IX provided may bear a notation by endorsement or otherwise in form approved by the City as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the principal office of any Paying Agent, suitable notation shall be made on such Bond by such Paying Agent as to any such action. If the City shall so determine, new Bonds so modified as in the opinion of the City to conform to such action shall be prepared and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

907. Contracts or Indentures. The City, in so far as authorized by law, may and if requested by any Fiduciary shall, enter into a contract or an indenture with any Fiduciary giving effect to any modification or amendment of the Bonds or of the Ordinance as hereinabove in this Article IX provided.

**ARTICLE X
DEFAULTS AND REMEDIES**

1001. Events of Defaults. Each of the following events is hereby declared as “Event of Default,” that is to say if:

(1) the City shall default in the payment of the principal of or Redemption Price, if any, on any Bond or Parity Obligations when and as the same shall become due, whether at maturity or upon call for redemption or otherwise;

(2) payment of any installment of interest on any of the Bonds or Parity Obligations shall not be made when and as the same shall become due; or

(3) the City shall fail or refuse to comply with the provisions of the Act, or shall default in the performance or observance of any other of the covenants, agreements or conditions on its part contained in this Ordinance, any Series Ordinance, any Supplemental Ordinance or the Bonds, and such failure, refusal or default shall continue for a period of forty-five (45) days after written notice thereof by the Holders of not less than five percent (5%) in principal amount of the Outstanding Bonds.

1002. Remedies. (1) Upon the happening and continuance of any Event of Default, the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, may proceed, in their own name, subject to the provisions of this Section 1002, to protect and enforce the rights of the Bondholders by such of the following remedies, as such Bondholders, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(a) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including (subject to regulatory requirements) the right to require the City to adopt, enforce, collect and receive utility rates, rentals and charges adequate to carry out the covenants and agreements of the City in respect of production of minimum Revenues and to require the City to carry out any and all other covenants or agreements with Bondholders and to perform its duties under the Act;

(b) by bringing suit upon the Bonds;

(c) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the Holders of the Bonds;

(d) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds;

(e) by action or suit in equity, seek the appointment of a receiver who shall take charge of and administer the affairs of the City;

(f) by declaring all Bonds due and payable, and if all defaults shall be made good (excepting that in respect of acceleration of maturities), then, with the

written consent of the Holders of not less than twenty-five percent (25%) in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or

(g) in the event that all Bonds are declared due and payable and a receiver is appointed, by selling Investment Obligations and all other assets of the City (to the extent not theretofore set aside for redemption of Bonds for which call has been made), and by the taking over by the receiver of the System, and operating same as an adequate revenue-generating operation to the fullest legal extent in the name of the City for the use and benefit of the Holders of Bonds;

(2) In the enforcement of any rights and remedies under this General Bond Ordinance, the Bondholders shall be entitled to sue for, enforce payment on and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City for principal, Redemption Price, interest or otherwise, under any provision of this General Bond Ordinance or a Series Ordinance or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Bondholders, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available for such purposes, in any manner provided by law, the moneys adjudged or decreed to be payable.

1003. Priority of Payments After Default. In the event that upon the happening and continuance of any Event of Default, the funds held by the Paying Agents shall be insufficient for the payment of principal or Redemption Price, if any, and interest then due on the Bonds and Parity Obligations, such funds (other than funds held for the payment or redemption of particular Bonds or Parity Obligations which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the City acting pursuant to the Act and this Article X, after making provision for the payment of any expenses necessary in the opinion of the City to protect the interests of the Holders of the Bonds and Parity Obligations, and for the payment of the charges and expenses and liabilities incurred and advances made by any Registrar and any Paying Agents in the performance of their respective duties under this General Ordinance, shall be applied, as follows:

(1) Unless the principal of all of the Bonds and Parity Obligations shall have become or have been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds and Parity Obligations which shall have

become due, whether at maturity or by a call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds and Parity Obligations due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the principal of all of the Bonds and Parity Obligations shall have become or have been declared due and payable, and such declaration shall not have been annulled, then, to the payment of the principal and interest then due and unpaid upon the Bonds and Parity Obligations without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond or Parity Obligation, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds or Parity Obligations.

Whenever moneys are to be applied by the City pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for application in the future. The deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purposes, shall constitute proper application, and the representative holders or receiver shall incur no liability whatsoever, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the representative Bondholders or receivers act with reasonable diligence, having due regard for the circumstances, and ultimately apply the same in accordance with such provisions of this Ordinance as may be applicable at the time of application. Wherever the representative Bondholders or the receiver shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the representative Bondholders or the receiver shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The representative Bondholders or the receiver shall give such notice as it may deem appropriate for the fixing of any such date. The representative Bondholders or the receiver shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the appropriate Paying Agent for appropriate endorsement or for cancellation if fully paid.

1004. Termination of Proceedings. In case any proceedings taken on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case the City and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondholders shall continue as though no such proceeding had been taken.

1005. Bondholders' Direction of Proceedings. Anything in this General Bond Ordinance to the contrary notwithstanding, the Holders of the majority in principal amount of the Bonds and Parity Obligations then Outstanding shall have the right by an instrument or concurrent instruments in writing executed and delivered to the City, to direct the method of conducting all remedial proceedings to be taken hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Ordinance.

1006. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

1007. No Waiver of Default. No delay or omission of the Holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this General Bond Ordinance to the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

1008. Notice of Event of Default. The City shall cause the appropriate Registrar to give to the Bondholders notice of each Event of Default hereunder known to the City within sixty (60) days after knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice. Each such notice of Event of Default shall be given by mailing written notice thereof: (1) to all Holders of Bonds, as the name and addresses of such Holders appear upon the books for registration and transfer of Bonds as kept by the Registrar and (2) to such other persons as is required by law.

**ARTICLE XI
CONCERNING THE FIDUCIARIES**

1101. Appointment and Acceptance of Duties of Paying Agents and Registrars. The City may appoint one or more Paying Agents and one or more Registrars (who may be a Paying Agent) for the Bonds of any Series in the Series Ordinance authorizing such Bonds or may appoint such Paying Agent or Paying Agents and such Registrar or Registrars by resolution of the City adopted prior to the authentication and delivery of such Bonds, and may at any time or from time to time appoint one or more other Paying Agents or one or more other Registrars in the manner and subject to the conditions set forth in Section 1107 for the appointment of a Successor Paying Agent or Registrar.

Each Paying Agent or Registrar shall signify its acceptance of the duties and obligations imposed upon it by this General Bond Ordinance by written instrument of acceptance executed and delivered to the City.

The principal offices of the Paying Agents are hereby designated as the respective agencies of the City for the payment of the interest on and principal or Redemption Price of the Bonds.

The City shall enter into an agreement for paying agent and for registrar for each issue of Series Bonds.

1102. Responsibility of Fiduciaries. The recitals of fact herein and in the Bonds contained shall be taken as the statements of the City and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this General Bond Ordinance or of any Bonds issued thereunder or in respect of the security afforded by this General Bond Ordinance, and no Fiduciary shall incur any responsibility in respect thereof. Each Registrar shall, however, be responsible for its representation contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof or the application of any moneys paid to the City. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any one of the other Fiduciaries.

1103. Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be of counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a matter

be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any Fund or Account, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this General Bond Ordinance upon the faith thereof, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidences as to it may seem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the City or the Board to any Fiduciary shall be sufficiently executed if executed by an Authorized Officer of the City or the Board, as applicable.

1104. Compensation. The City shall pay to each Paying Agent, Registrar and other Fiduciary from time to time reasonable compensation for all services rendered under this General Bond Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this General Bond Ordinance. The City further agrees to indemnify each Paying Agent, Registrar and other Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or default.

1105. Permitted Acts and Functions. Each Paying Agent, Registrar and any other Fiduciary may become the owner of any Bonds, with the same rights it would have if it were not such Paying Agent, Registrar or other Fiduciary. Each Paying Agent, Registrar and any other Fiduciary may act as Depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this General Bond Ordinance, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding.

1106. Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all of substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to such Fiduciary under Section 1110 or Section 1113 and shall be authorized by law to perform all the duties imposed upon it by this General Bond Ordinance, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

1107. Resignation or Removal of the Paying Agents, Registrars and Other Fiduciaries and Appointment of Successors. Any Paying Agent, Registrar or other Fiduciary may at any time resign and be discharged of the duties and obligations created by this General Bond Ordinance by giving at least sixty (60) days' written notice to the City. Any Paying Agent, Registrar or other Fiduciary may be removed at any time by an instrument filed with such Paying Agent, Registrar or other Fiduciary and signed by an Authorized Officer of the City. Any successor Paying Agent, Registrar or other Fiduciary shall be appointed by the City and (subject

to the requirements of Section 703) shall be a trust company or bank having the powers of a trust company, having a capital and surplus aggregating at least Twenty-Five Million Dollars (\$25,000,000), and willing and able to accept the office of Paying Agent or Registrar on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this General Bond Ordinance.

In the event of the resignation or removal of any Paying Agent, Registrar or other Fiduciary, such Paying Agent, Registrar or other Fiduciary shall pay over, assign and deliver any moneys held by it to its successor, if there be no successor then appointed, to the City until such successor be appointed.

[End of Article XI]

ARTICLE XII MISCELLANEOUS

1201. Defeasance. (1) Except as may be provided with respect to Parity Obligations, if the City shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Bonds, all of the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this General Bond Ordinance, then and in that event the General Bond Ordinance shall cease, determine, and become null and void, and the covenants, agreements and other obligations of the City hereunder shall be satisfied and discharged, and in such event, the City shall execute and deliver all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the City all moneys or securities held by them pursuant to the General Bond Ordinance which are not required for the payment or redemption of Bonds, not theretofore surrendered for such payment or redemption.

(2) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and which shall be held in trust by Fiduciaries (through deposit by the City of funds for such payment or redemption or otherwise) shall, at the maturity or Redemption Date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section. All Outstanding Bonds shall, prior to the maturity or Redemption Date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section if (a) in case any of said Bonds are to be redeemed on any date prior to their maturity, the City shall have given notice of redemption on said date of Redemption of such bonds as provided in Article VI or shall have provided for the giving of such notice at the appropriate time, and (b) there shall have been deposited with the Paying Agents either moneys in an amount which shall be sufficient, or Defeasance Obligations, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Paying Agents at the same time, shall be sufficient to pay when due the principal or Redemption Price, if any, and interest due and to become due on said Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be. Neither Defeasance Obligations nor moneys deposited with the Paying Agents pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purposes other than, and shall be held in trust for, the payment of the principal or Redemption Price, if any, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Paying Agent if not then needed for such purposes, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if any, and interest to become due on said Bonds on and prior to such Redemption Date or maturity date thereof, as the case may be, and shall be paid over to the City, following full discharge and payment of such Bonds free and clear of any trust, lien or pledge.

(3) If, through the deposit of moneys by the City or otherwise, the Fiduciaries shall hold, pursuant to this General Bond Ordinance, moneys sufficient to pay the principal and interest to maturity on all Outstanding Bonds, or in the case of Bonds in respect of which the City shall have taken all action necessary to redeem prior to maturity, sufficient to

pay the Redemption Price and Interest to such Redemption Date, then at the request of the City all moneys held by and Paying Agent shall be paid over to the City, and together with other moneys held by it hereunder, shall be held by the City for the payment or redemption of Outstanding Bonds.

(4) Anything in this General Bond Ordinance to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six (6) years after the date when all of the Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six (6) years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when all of the Bonds became due and payable, shall, at the written request of the City, be repaid by the Fiduciary to the City, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged; provided, however, that before being required to make any such payment to the City, the Fiduciary shall, at the expense of the City, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in the Authorized Newspapers notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than ten (10) nor more than twenty (20) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the City.

1202. Evidence of Signatures of Bondholders and Ownership of Bonds. Any request, consent or other instrument which this General Bond Ordinance may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their authorized attorneys: Proof of (1) the execution of any such instruments, or of an instrument appointing any such attorney, or (2) the holding by any person of the Bonds, shall be sufficient for any purpose of the General Bond Ordinance (except as otherwise expressly provided) if made in the following manner, but the City may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

The fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the City or of any notary public or other officer authorized to take acknowledgements of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The authority of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the City or any Fiduciary in accordance therewith.

1203. Preservation and Inspection of Documents. All documents received by any Fiduciary under the provisions of this General Bond Ordinance or any supplemental General Bond Ordinance or Series Ordinance shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

1204. Parties in Interest. Nothing in this General Bond Ordinance or in any Series Ordinance adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the City, Paying Agents, Registrars and the Holders of the Bonds any rights, remedies or claims under or by reason of this General Bond Ordinance or any Series Ordinance or any covenants, conditions or stipulations thereof; and all covenants, stipulations, promises and agreements in this General Bond Ordinance and any Series Ordinance contained by or on behalf of the City shall be for the sole and exclusive benefit of the City, Paying Agents, Registrars and the Holders from time to time of the Bonds.

1205. No Recourse Under General Bond Ordinance or on Bonds. All covenants, stipulations, promises, agreements and obligations of the City contained in this General Bond Ordinance shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any member, officer, director or employee of the City in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this General Bond Ordinance against any member, officer, director or employee of the City or any natural person executing the Bonds.

1206. Severability. If any one or more of the covenants, stipulations, promises, agreements or obligations provided in this General Bond Ordinance on the part of the City or any Paying Agent or any Registrar to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements, obligation or obligations shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions of this General Bond Ordinance.

1207. Headings. Any headings preceding the texts of the several Articles and Sections hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part of this General Bond Ordinance, nor shall they affect its meaning, construction or effect.

1208. Conflicts. All General Bond Ordinances and resolutions or parts of General Bond Ordinances and resolutions, or other proceedings of the City in conflict herewith be and the same are repealed insofar as such conflict exists.

1209. Amendment of Prior Bond Ordinance. This General Bond Ordinance is subject to the terms of the Prior Bond Ordinance, which Prior Bond Ordinance constitutes Parity Obligations hereunder. There is hereby authorized to be adopted or approved, in the same manner as is provided in Section 306, such amendments or supplements to the Prior Bond

Ordinance that may be necessary so that no conflict exists between the provisions of the Prior Bond Ordinance and the provisions of this General Bond Ordinance.
